1<sup>st</sup> floor cafeteria

High school is located on 3<sup>rd</sup> Ave. where North Star Rd. dead ends into 3<sup>rd</sup>. Plenty of parking is available. Our plans are for this to be our permanent meeting location. A big thanks to Chet Britt for making the arrangements.

#### **Big Big Jackpot this month!**

Jack Smith's name was drawn for the \$163 jackpot last month but, unfortunately, Jack chose to remain home in Tennessee and was not present to win. The jackpot grows again this month and, remember, you must be present to win!

#### **Door Prizes**

Fabulous, valuable door prizes are given away at every meeting. Okay, maybe a slight exaggeration. Winners last month included Charles Caldwell, Bob Acker, and John Rieske.

We are asking for donations of full or partially full bottles of booze that we can use in our hospitality room during our coin show weekend. We have been providing the dealers and friends with snacks and a drink each evening of the show. As members you are welcome and encouraged to attend. If you have a bottle or more bring it/them to the July meeting or the August picnic and Pete Miller will collect them.
